

7 FACTS ABOUT US

- 1 WE ARE ONE OF THE OLDEST UNIVERSITIES IN CONTINUOUS OPERATION**
Founded in 1635 and reestablished in 1992, PPKE combines traditional values of care for our students with flexible curricula, resulting in an environment of **high professional level** and **inspiring atmosphere**.
- 2 PERSONAL CONNECTION DURING YOUR STUDIES**
We aim to provide extensive care to every student.
- 3 STRONG BUDDY SYSTEM**
We aim to pair every incoming student with a Hungarian student of the very same division, so students will have all the help they need during their stay in Hungary.
- 4 COLLABORATION IN RESEARCH**
Study and research in *The Ányos Jedlik Laboratories*, fitted for multidisciplinary research of Bionics, Biotechnology, Nanotechnology and Microelectronics, or conduct research of Humanities in *Psychological Research Laboratory* or the state-of-art *Archaeological Geoinformatical-System Laboratory*; or *Competition Law Research Center Hungary*; *Ereky Public Law Research Center*; *Law and Language Research Center*; *Media Law Research Center*; *Intellectual Property Law Research Center*.
- 5 EXTENSIVE INTERNATIONAL RELATIONS**
Based on the international relations of our university and the researchers lecturing at our faculty, we have succeeded in building active contacts with several internationally reputed university research centers.
- 6 LOCATED IN THE HEART OF HUNGARY**
Enjoy the sight and opportunities of the capital city in the center of the country.
- 7 EXCELLENT JOB AND START-UP OPPORTUNITIES**
After graduation in their chosen field of innovation area, our students find that their diplomas will open many doors. The Faculty of Information Technology and Bionics provides a positive environment for establishing start-ups in form of spin-off companies founded by researchers and enterprise team, mostly graduates from the Faculty. Based on their intellectual property, alumni develop and commercialize their own products

PÁZMÁNY PÉTER CATHOLIC UNIVERSITY

Pázmány Péter Catholic University (PPKE) is a state-approved higher education institution run by the Catholic Church and governed by the Hungarian Catholic Bishops' Conference. The Congregation for Catholic Education of the Apostolic Holy See in its decree n°1151 (on 25th, November 1999) declared that Pázmány Péter Catholic University had been established and approved directly by the Holy See. The University is a legal entity both in the legal system of the Catholic Church and that of the State of Hungary. In the Catholic Church the institution is regarded as an official ecclesiastical legal entity.

UNIVERSITY OF NATIONAL EXCELLENCE

FACULTIES STUDY PROGRAMS

The Faculty of Information Technology and Bionics received the prestigious recognition as **"Research Institution of Excellence"** by the Hungarian Academy of Sciences (MTA) in 2022.

Over 300 international partners

Double and joint degrees

PPKE IN NATIONAL UNIVERSITY RANKINGS

5th place in the ranking of Hungarian higher education institutions (based on student excellence) – statistics by HVG, Hungarian weekly economic and political magazine (2023)

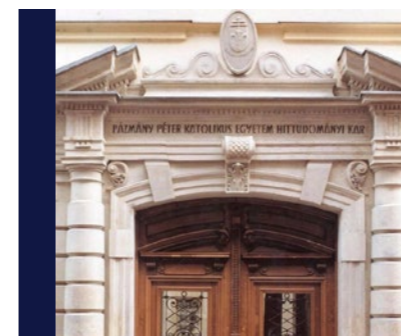

6th place in the ranking of Hungarian higher education institutions – statistics by HVG, Hungarian weekly economic and political magazine (2023)

7th place in the field of engineering sciences (based on teaching excellence) – statistics by HVG, Hungarian weekly economic and political magazine (2023)

LABORATORIES AND RESEARCH CENTERS

- Archaeological GIS (Geographic Information System) Laboratory
- Competition Law Research Centre – Hungary
- Ereky Public Law Research Center
- Intellectual Property Law Research Center
- International Canon Law History Research Center
- Laboratory for Psychological Research
- Law and Language Research Center
- Media Law Research Center
- 3D Image Processing and Stereography Research Group
- The Ányos Jedlik Laboratories (33 research groups in key areas of biology, computer science and info-bionics)
