

Important change to the Education and Exam Policy 2019-2020

- (1) The implementation of provisions set out in Section 35/A paragraph (1)–(2) of the Education and Exam Policy shall be suspended.

- (2) Exams may be organized only electronically by means of the Neptun system or other electronic communication tools. In case the exams are organized in writing using the Neptun system, the provisions of this present section shall be applied, with the exception that the exam may not be organized in University premises. In case the exam is not organized using the Neptun system, the lecturer concerned is obliged to inform students by the last day of the semester about the terms of the exam and the rules of using the given electronic tool.
